

# Tobacco Cessation Technical Assistance

Smoke Free Indy provides free technical assistance for all Marion County healthcare providers. Our tobacco cessation and prevention team can work with your staff to provide technical assistance such as the following:

- Medicaid/ Medicare Billing
- Quit Line Information and Education
- Quit Line Referral EMR Integration
- Screening Tool Implementation
- Data Analysis
- Motivational Interviewing Techniques
- Staff Tobacco Cessation Programs
- Community Partnerships

Smoke Free Indy is a coalition of state and local public health organizations, community based organizations, physicians, businesses, schools, the faith community, and Marion County residents dedicated to reducing secondhand smoke, tobacco usage and tobacco initiation through education, prevention and advocacy.
